

How can I be safer online?

1. Use a webcam cover.
2. Connect to a trusted Wifi.
3. Set a secure password and keep it secret.
4. Activate two-factor authentication.
5. Ensure that security software is updated regularly.
6. Ensure that your privacy settings are turned on.
7. Do not open messages from unknown sources.
8. Avoid online scams by knowing what to look out for.
9. Only make online purchases from secure websites.
10. Avoid posting unnecessary personal information online.
